

Discover Quilting at a Meeting

Join us the third Saturday in February, May, August and November. Meeting sites move each quarter to different venues along the Gorge in both Oregon and Washington. This allows us to bring local meetings to our members, and helps acquaint our members with other Gorge communities when they travel to meetings outside their area so check our website for upcoming meeting locations.

10:00am General Meeting

Hear the latest guild news, projects, and upcoming events. See the beautiful accomplishments of our members during Show and Tell!

11:00am Program

Interesting, inspiring and often humorous lecturers in the national and local quilting community, as well as talented guild members, share their quilts, ideas and stories. You won't want to miss a single meeting!!!

1:00pm Workshop

Highly informative, affordable mini-workshops are taught by our lecturer or a gifted guild member. They pack three fun hours with skills, techniques, tips and tricks to improve your quilting.

What We Do:

Programs/Workshops - We meet quarterly with inspirational programs and instructional workshops.

Quilt Show and Exhibits – Each year we organize the major area quilt show in the Gorge that draws entries from around the Northwest as well as showcasing the many talents of our members. There are often classes and vendors available as well. We also promote public interest in quilting through exhibits in galleries and libraries throughout the year.

Retreats and Sewing Days – Sewing together fosters friendship, sharing, learning and the exchange of ideas.

Charity Quilting – Several organizations are selected each year to receive the quilts we make as charitable donations.

Show and Tell – An opportunity at every meeting to oooh and aaah at the projects our members have completed or the quilts they have acquired.

Join us today and Discover Quilting! The creativity, the fun, the new friendships and lots of opportunities to improve your quilting skills are all part of quilting in the Gorge!
